

*We are one of the youngest universities in Germany and think in terms of possibilities rather than limitations. In the heart of the Ruhr metropolis, in our 11 faculties, we develop ideas for the future. We are strong in research and teaching, live diversity, support potential and are highly committed to an educational equality that deserves this name.*

The University Duisburg-Essen, Faculty of Business Administration, Dept. of Computer Science, at Campus Essen is looking for

**Three Research Assistants – PhD Students (f/m/d) at Universities**  
**(Salary based on 13 TV-L, federal salary rate)**
